### Installation system

Glue-down installation with tongue and groove

### Surface finish

PARQUET Chevron 10mm 4V can be optionally provided with the following surface refinements:

|              |  | oleovera<br>NATURÖL   |  |
|--------------|--|---|--|
| Character    |  | Natural oil surface that allows the wood to breathe   |  |
| Ingredients  |  | Ingredients based on renewable raw materials  |  |
| How it works |  | The floor care oil is based on natural ingredients. It penetrates deep into the pores of the wood and protects the parquet floor from dirt and from drying out. The wood can breathe and retains its natural look and feel. |  |
